

You can reach us by the city bypass. First follow the direction to the exit from town (in direction of Korniča).

On the end of Vis city (near the winery), turn left onto the city bypass. After 1200 meters turn left again and drive to the sea.

When you reach the sea, here we are. Also, you can follow the signs to police station because we are close to them.

GPS position of Nautic Apartments is N 43.03.446 - E 16.11.754 (You can memory position in your GPS in advance).
Be careful with one-way streets or streets where traffic is forbidden, because GPS does not recognize these streets, and often provides these streets !
